Your home page

- Upon logging in, you will see a page that looks something like this.
- The “Wiki textbook before” (fall break) should be at the top. Click on it.
Signing up for an assignment

- You can then click on “Signup sheet.”
Choosing a topic

- Click on the green check mark to choose a topic from the list. *Note:* Only one member of a team should do this.
See the confirmation

- The topic you chose will be highlighted in yellow.
- You can later click on the “X” if you wish to cancel your selection.
Invite someone to join your team

- If someone has agreed to partner with you, invite them to do so.
- Click on the “Back” link at the bottom, then choose “Your team” from the list of actions.
Issue an invitation

- At the bottom of the page, insert the user-ID of someone you would like to invite.
- Then click “Invite”.

Accept an invitation

- Then the other user can go to “Your team” and accept the invitation.
A two-user team

- Now both of you are listed on the team.
Now both users are signed up

- Joining a team causes the other user to be registered for the topic too.
